

The Real Change Movement

Are you moved by the plight of the homeless?
Wondered how best to help? As a community,
we have the opportunity to take action and
create lasting change.

Studies show that those who give to a good
cause, who actively help others, are measurably
happier. So join the movement.

Help the homeless. Become happier.

RealCHANGE MOVEMENT

Homes for the homeless.
Powered by change.

About

The **Real Change Movement** is an initiative focused on raising awareness about the issues of homelessness and generating new funds to help make a difference.

Its goal is to help provide homes for the homeless with the credit card and small change donations you make through our special donation meter program. The **Real Change Movement** seeks to touch hearts and minds with a long-term, positive approach to a common concern.

"This is a new life for me. The way I'm living today is an opportunity for me to reflect on who I am, and where I came from."

- Dorothy Edwards
(Formerly homeless)

Donation Meter Program

A unique aspect of the Real Change Movement is the introduction of our donation meter program, the first of its kind in Los Angeles County. These meters have been specially designed for our campaign. Our unconventional meters, symbols of help and hope, are easy to spot with their bright, bold orange look. For more information on the meter locations, please visit our website: www.realchangemovement.org

United Way of Greater Los Angeles, through the Home For Good Funders Collaborative, will leverage the meter contributions to maximize their use.
