# PCI HISTORY.

1961 / 1971 / 1976 / 1980 / 1982 / 1985 / 1990 / 1991

**(1961)**

A young doctor from San Diego volunteering at a Tijuana clinic saved the lives of two small children who were dying of pneumonia. This experience led Dr. Jim Turpin to found Project Concern International and forever change the lives of millions of children around the world by providing health and poverty solutions.
